Art Unit: 2872

1. A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's submission filed on 03/13/2006 has been entered.

2. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. Philip R. Warn on 03/17/2006.

3. The application has been amended as follows:

In claim 23, line 11, the language --each independently-- has been inserted before "supported".

In claim 30, line 10, the language "second reflective" has been changed to read --the second reflective--.

In claim 30, line 10, the language --each independently-- has been inserted before "supported".

In claim 32, line 2, the language "one plastic" has been changed to read --one of plastic--.

On page 1 of the specification, the language --U.S. Patent 6,511,192,-- has been inserted before "the entire specification".

4. The following is an examiner's statement of reasons for allowance:

Art Unit: 2872

The prior art of record does not teach or fairly suggest the combination of a mirror assembly for a vehicle comprising a mirror housing; a first reflective element having a first field of view; a second reflective element having a second field of view, the second field of view being wider than the first field of view; an indicator light assembly for generating a light signal; a multi-function backing plate supported by the mirror housing, wherein the first reflective element, second reflective element, and indicator light assembly are operably associated with the mirror housing and the first reflective element, the second reflective element and the indicator light assembly are each independently supported by the multi-function backing plate, as recited in claims 23 and 30.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

5. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Ricky D. Shafer whose telephone number is (571) 272-2320. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
